

## UPDATE

### RFP- FOOD WALKING TOUR CONSULTANT SEPTEMBER 19, 2025

The following is an update for the Downtown Yonge BIA's Request for Proposals- Food Walking Tour Consultant released Friday, September 19, 2025.

A reminder to firms that the following points should be considered and acknowledged in your proposals:

1. It is not guaranteed that the selected food walking tour consultant will have access to the DYBIA offices for staging or pre and post tour debriefs. The consultant should have an alternative in place as there may be dates that are not accommodated.
2. It must be made clear in all branding and messaging before, during, and after the tours that the Downtown Yonge BIA is subsidizing the tours and that the cost to the consumer reflects this sponsorship.
3. The DYBIA will be notified ahead of time before the consultant reaches out to any businesses or stakeholders for participation on the tours and will ultimately decide which businesses will be considered to be included in the tours.

Note that the deadline for submissions remains the same. Please refer to the RFP document for full submission details.
