August 18, 2026 - August 18, 2026 5:00 PM - 6:30 PM

Condition(s):

- The exemption permit shall be posted in a visible location to the public where each event or activity will occur 7 days prior to the start of the event or activity, and shall remain for the duration of the event or activity. If the applicant is unable to post a notice of the exemption permit at the physical location of the event or activity, the Executive Director may permit the permit holder to post it online in a conspicuous manner.
- The sound emitted from any equipment shall not exceed a sound level (expressed in terms of Leq for a ten-minute period):
 - (a) For amplified sound, of 85 dB(A) or 105 dB(C) when measured from the lot line of the property where the event or activity is occurring; or
 - (b) For any other event or activity, of 85 dB(A) or 105 dB(C) when measured 20 metres from the source;
- The applicant shall comply with any request made by a Bylaw Enforcement Officer with respect to the volume of sound, up to and including lowering sound levels to be compliant with the bylaw or providing identification to the officer on request.
- No equipment other than the equipment approved under the exemption permit shall be used by the applicant.
- Each event or activity shall be restricted to only the approved location.
- The Executive Director may revoke an exemption permit, with or without notice, if there is non-compliance any of the exemption permit's conditions if required by the Executive Director.
- The sound emitted from any equipment shall not exceed a sound level (expressed in terms of Leq for a ten-minute period) of 85 dB(A) or 105 dB(C) when measured from the lot line of the property where the event or activity is occurring

As per City of Toronto Noise Bylaw Chapter 591 section 591-3.2H "Exemption Permits", the Executive Director may revoke an exemption permit, with or without notice, if there is non-compliance with any of the exemption permit's conditions.

Tear Down: June 16, 2026 - June 16, 2026 6:30 PM - 8:30 PM
